As The Paper Gallery enters its 39th year, it continues to be Winnipeg's largest independent greeting card store! All of the cards are individually hand-picked enabling the store to offer an extensive selection of cards from around the globe, including numerous local artists. Cards vary from humorous to serious, letterpress, silk screened or watermarked. The newest additions to our card selection are the stunning Cirque du Soleil 3D blank cards. We also offer a large selection of boxed Christmas cards, everyday boxed notes and stationery.

If you are looking for unique invitations, The Paper Gallery is the place for you! We carry a great selection of invitation catalogues from across the continent, as well as our own in-house printing program that allows you to colour customize hundred of designs. Whether it is four invitations or four hundred, flat ink, thermography or letterpress, The Paper Gallery will ensure your order is printed quickly and correctly. We have invitations for all occasions: weddings, showers, birthdays, anniversaries, baptisms, Bar/Bat Mitzvah and more. Compliment your invitations with our envelope addressing service. Just bring in your list and the envelopes will be addressed to match the invitations. For your convenience, invitation appointments are preferred.

Check out our magnificent selection of giftware, including **Michael Aram**. His outstanding serving pieces and frames are true works of art.

Also fabulous is the **Kakadu Wood Art** line! Vibrant hand painted pieces include lazy susans, cutlery caddies, trays, placemats, table runners and coasters.

Our extensive selection of stylish and fashion forward readers now ranges in strength from +1.00 to +4.00. The selection is large, with styles and shapes for everyone. We also have a selection of sunglass readers.

Drop off your old glasses and we will donate them to charity.
